INTERNATIONAL JOINT COMMISSION

OTTAWA, CANADA

November 13th, 1918

Dear Sir Robert Falconer,

I have been trying to get together the papers submitted at the last meeting of Section II of the Royal Society, for printing in the Transactions, and as I was not at the meeting I am rather uncertain as to what became of some of the papers. I assume that you took yours back with you, and shall be glad if you will let me have it at your early convenience so that it may be printed in the next Quarterly number of the Transactions.

Yours faithfully,

Sir Robert Falconer, K.C.M.G.,
President, Toronto University,
